THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES (SHRI SUBODH KANT SAHAY): (a) to (d) Ministry of Food Processing Industries (MFPI) has developed a scheme for providing financial assistance for establishment of mega food parks, which envisages a well-defined agri/horticultural-processing zone containing State of the art processing facilities with support infrastructure and well established supply chain. The scheme aims to provide a mechanism to bring together farmers, processors and retailers and link agricultural production to the market so as to ensure maximization of value addition, minimization of wastages and improving farmers' income.
